THE LITTLE BROWN CHURCH IN THE VALE  
Nashua, Iowa

Hi -

We were at this church today - very pretty. We saw the town of Charles City, Iowa that a tornado hit the last of May, never would believe the damage unless you could see it. Will be in Wisconsin tomorrow.

Nestled in a beautiful wooded campus one mile Northeast of Nashua, Iowa, this picturesque spot which inspired Dr. William S. Pitts to write the song "The Church in the Wildwood", is visited by thousands each year; and betrothed couples come from far and near to be married in its significant atmosphere.
